Coronamiento de piscinas in-situ Couronnement de piscines "in-situ" Crowning of swimming pools "in-situ"

# sistema PBR

► Moldes reutilizables para la coronación en continuo de piscinas, este sistema se adapta tanto a rectas como curvas, permitiendo realizar todas las formas de piscinas, sobre todo aquellas irregulares en que hace falta la fabricación de piedras de piscina a medida.

► Moules réutilisables pour le couronnement continue de piscines. On peut adapter ce système à des lignes droites et courbes, permettant de réaliser toutes les formes de piscines, surtout les irrégulières où il faut fabriquer des pierres de piscine sur mesure.

► Reusable moulds for swimming pool's continuous crowning. This way could be adapted for curves and straight lines, and it allow to make all the possible swimming pool's shapes, including the irregular ones, for whose it's needed to build special customized stones.
